RE: Open Records Request

*Opinion Committee*

Dear General Morales:

The Harris County Hospital District ("District") has requested that the County Attorney of Harris County obtain an opinion of your office on the following question:

1. Under the Open Records Act is the District required to disclose the following documentation ("Software Documentation"), requested by the Texas Department of Health ("TDH"): "A copy of the most current component of the T-Pass user documentation must be available for a macro review during the audit. The copy will be reviewed in more detail at TDH after the audit." ?

Under separate cover, please find our memorandum brief and confidential information. Please furnish your opinion of the question presented.

Sincerely,

MIKE DRISCOLL
